

# Certified Healthy Community Frequently Asked Questions

## Eligibility

### **Q: What qualifies as a community?**

A: A community is defined as an incorporated city, town, or municipality in Oklahoma that has a governing body that allows it to make decisions and set ordinances. The community will have to identify its type of government: Mayor Council, Council/Board/Commission or Council Manager.

### **Q: What sizes of communities should apply?**

A: We encourage all communities that meet the definition of community to apply, regardless of size. We categorize communities as Sub-Rural (Population less than 500), Rural (population 501 - 4,300), Small (population 4,300 – 13,399), Medium (population 14,000 – 29,999), Large (population 30,000 – 79,999), or Metro (population 80,000+).

### **Q: Smoking is still allowed on city property. Should I still apply?**

A: Communities are not eligible to apply unless the city has adopted and implemented an ordinance that prohibits smoking indoors and outdoors on city-owned/operated properties. To achieve Excellence, a community must adopt and implement an ordinance that prohibits the use of tobacco and vapor products on all indoor and outdoor city-owned/operated properties. Sample ordinances area available via the Resource Guide located at [www.certifiedhealthyok.com](http://www.certifiedhealthyok.com).

### **Q: If my city was Certified Healthy last year, do I need to reapply?**

A: Yes, applicants must re-apply each year for certification.

## Application Process

### **Q: When can I apply?**

A: The application period runs from August 1<sup>st</sup> to November 1<sup>st</sup>.

A: Contact the Center for Chronic Disease Prevention and Health Promotion for help at 405-426-8300.

### **Q: Can I mail or fax my application?**

A: No, all applications must be completed online. We will not accept mailed or faxed applications.

### **Q: How will I know if my application was submitted successfully?**

A: You will receive a confirmation e-mail if your application is submitted successfully. If you do not receive this e-mail, first check your spam to see if it got caught in there, if it is not there, please call and verify if it went through successfully 405-426-8300. If it did not, you will need to re-submit.

### **Q: My community also employees individuals. Can the city also apply as a business?**

A: Absolutely. If a community also falls into the Certified Healthy Business program area, the city as an employer is encouraged to apply for the Certified Healthy Business program.

### **Q: I am having technical issues with the application and/or website. Who can I call?**

A: Please contact the Center for Chronic Disease Prevention and Health Promotion at 405-426-8300.

### **Q: When will the awardees be announced?**

A: We will send out award decisions in December.

### **Q: When is the awards ceremony and how much does it cost?**

A: The awards ceremony is typically held between March and April, and cost varies each year.

## Criteria

### **Q: How many criteria are there on the community application?**

A: There are 135 criteria total in five scored categories.

**Q: Are the criteria different from last year?**

A: Yes, the criteria was updated in 2021. All Certified Healthy Oklahoma criteria are updated biennially to reflect the latest best and promising practices.

**Q: Where did these criteria come from?**

A: The Certified Healthy Community criteria are based on the Blue Zones Project, Institute for Local Government: Healthy Neighborhoods, and Oklahoma Tobacco Settlement Endowment Trust (TSET) Healthy Living program Cities and Government Sector Outcomes.

**Q: I need help understanding a criterion. What should I do?**

A: First, check out the Resource Guide at [www.certifiedhealthyok.com](http://www.certifiedhealthyok.com). If you still need assistance, contact the Center for Chronic Disease Prevention and Health Promotion at 405-426-8300 or your local county health department.

**Q: These criteria seem difficult. Who can I talk to about implementing these components?**

A: Please contact the Center for Chronic Disease Prevention and Health Promotion at 405-426-8300 or your local county health department.

## Scoring

**Q: How will my application be scored?**

A: We strive to be as transparent as possible with scoring. We use specific points for scoring, and applicants are scored based on the number of points per section. These points vary based on size of community and recognition level (Basic, Merit, or Excellence). Scoring information is available online at [www.certifiedhealthyok.com](http://www.certifiedhealthyok.com).

**Q: How many criteria do I need to check in each category to be certified?**

A: Please see the scoring information on [www.certifiedhealthyok.com](http://www.certifiedhealthyok.com). The number of points needed for certification varies by size of community and certification level.

**Q: I did not receive certification last year. How can I improve my score this year?**

A: We are here to provide technical assistance to your program. Please contact the Center for Chronic Disease Prevention and Health Promotion at 405-426-8300, we can pull up your 2019 application and work with you to identify ways to grow your application. Your local county health department is also a great resource for information on criteria implementation.
